Master Shantideva's Guide to the Bodhisattva's Way of Life

Exploring the Border Between You and Me

Quiz, Class Five

1) Master Shantideva introduces here the problem of cherishing oneself, describing how we kill animals for example “in order to cure the illness of the body.” What is the difference between cherishing oneself and holding on to oneself as self-existent? Are they connected? (Sanskrit and Tibetan tracks, give the two words in these languages also.)

2) Quote the famous verse about how we should think whenever any material benefit comes to us—say, for example, a paycheck.

3) Give, in English, the famous verse here about where the happiness and the pain of the world come from.
